SYNOPSIS	The 2007 documentary Full Metal Village examines the lives of the residents of a small German village in the Schleswig-Holstein region, Wacken, in a series of interviews and visual tableaux as it prepares for the annual Wacken Open Air Festival. In the style of a traditional German heimat film, the director Sung Hyung Cho explores the relationship of the 1,800 resident townsfolk and the brief annual influx of 70,000 metal music enthusiasts who attend the open-air concert.
