Synopsis

From the Producer of "V/H/S" and "V/H/S 2" comes "Face: A Frat Party Massacre." An annual Halloween fear competition between a fraternity and sorority goes awry when drugs, alcohol and the old battle of the sexes are mixed together. What's on the line? The losers must do anything the winners ask for one night. The bros won last year. They not only violated the loser, but uploaded the footage on the internet.

Jamie (Sienna Beckman), the head of the sorority, wants vengeance. She has concocted a devilish plan to humiliate the frat brothers and come out on top. However, she's not aware that Matt (Scott Alin), the head of the fraternity, has machinations of his own. Who will win this year? At what cost? The lives of men, women and animals are at stake in this unflinching, carnal, depraved film that will mutilate the way you see the opposite sex forever.
