Synopsis

Jean-Henri Roger's "Lulu" stars Elli Medeiros as the title character, a transsexual caught in a love triangle. Lulu lives with John (Gerard Meylan). When a town drunk, a local at the bar where Lulu works, accuses her of murder, normal quickly gets out of hand.

A detective (Bruno Putzulu) starts a quirky investigation into the charge but gets nowhere. He believes Lulu is guilty and also wants her locked up for being who she is. A journalist (Jean-Pierre Kalfon) who is in love with Lulu is her only hope in this cinematic menage a trois.
