Synopsis

Handsome, successful, and talented, life is good for Kang Tae-poong, a world renowned architect who seem to live the dream of all men. But one day an automobile accident leaves him with a visual impairment that makes unattractive women seem attractive to him. Right then, Wang Soh-jung, a homely looking pet magazine reporter comes into his life. Kang thinks she is a flawless beauty until his ailment is cured and he is no longer able to recognize the woman he has fallen in love with.
